# SPEED RACE GP-5

Before entering a tunnel,  
the headlights turn on.

The car is running on  
the bridge.

An emergency car appears.

## "EXPLOSIVE RACING ACTION"

### FEATURES

Experience the thrill and excitement of "Super Car Racing" with spectacular "CRASH SOUND."

These speed race models are the ultimate in computerized racing.

The race track is unique . . . Water-slick zones splash as cars pass through. Headlight needed to see in the dark . . . two-way tracks on bridges . . . Emergency cars with sirens must be avoided to prevent crashes.

Scores of 2,000-4,000 & 6,000 points earns extended play time. Permanent display of the 5 top scores is a proven attraction for players.

### INSTRUCTIONS

- Insert coin(s).
- To start race place gear shift in low position.
- Crashing into guard rails or rival cars will return your car (red) back to start position.
